Norah Full Length Mirror

Product Specifications

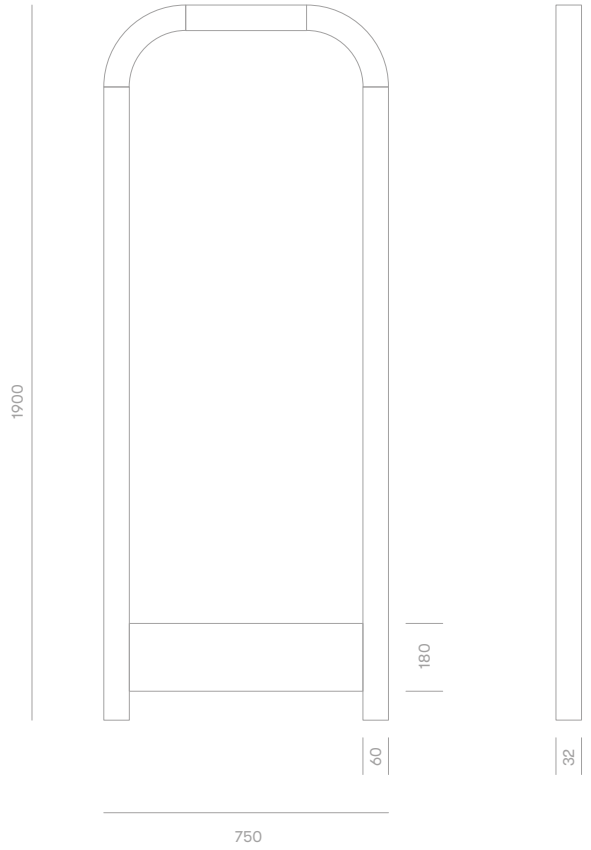

Standard Dimensions

Overall height **1900mm**
Overall width **750mm**
Overall depth **32mm**

Features

Polyurethane finish
Wall hung or free standing

*LF recommends using the provided anti tip bracket to secure your mirror to the wall. This is to avoid the mirror falling over and causing any serious damage or injuries. Brackets will prevent the mirror from falling if being bumped, pushed or blown over by strong winds.

*all sizes in mm
